Mr. M.L. Sharma
(FOUNDER)

Mr. Dinesh Kumar Sharma
(Director)

Micro Tools (India) Pvt. Ltd., Founded in 1985, is the brain-child of Shri M.L. Sharma

His rich experience and expertise, besides far-sighted vision, has propelled “Micro” to where it is today. Micro recognizes the need to have world-class work force in order to be a world-class company.

History and Background

Micro Tools (India) Pvt. Ltd., an ISO 9001 : 2008 & ISO/TS 16949:2009 Certified Company, was Established by its Founder, Shri M.L. Sharma, on 20th August 1985 with the prime objective of Serving the Automobile Industry. Commercial production commenced in the following month i.e. September '85 and continues unabated.

The facilities built-up over the years are ideally suited to manufacturing precision Sheet Metal & Tubular Components and Welded Assemblies in line with customers' specifications.

The Company has been awarded with the prestigious “Udyog Patra Award” and “Self Certified Supplier Award” by Institute of Trade and Industrial Development and Eicher Tractors Limited respectively.

The Company premises, built on its own land with a covered area of 11500 sft, is located in the industrial hub of Faridabad, Haryana. The company possesses adequate power back-up facility to ensure uninterrupted continuation of all important operations.

In - House facility exists for the following:

- Short Blasting
- Powder Coating

Other Group Companies:

- Micro Engineering Corporation
- Micro Automotive Components Pvt. Ltd.
- Sarrk International

AN ISO 9001: 2008 & ISO/TS 16949:2009 CERTIFIED COMPANY

QUALITY POLICY

MIXRO TOOLS (INDIA) PVT.LTD., is committed to provide total satisfaction to all its customers by producing and delivering quality goods consistently in line with their requirements with strict adherence to systems and processes laid down.

We, as a cohesive team, keep striving to ensure continual improvement in the quality of ur products and processes.

DINESH SHARMA
DIRECTOR

EHS POLICY

MICRO TOOLS (INDIA) PVT. LTD., the manufacturer of Sheet Metal & Tubular Components and Welded Assemblies, is committed to continual improvement of all our laid-down systems and processes so as to ensure preventive measures to safeguard Pollution, Health Hazards, Injury and Safety of all concerned.

We, with active involvement of all our employees and stake-holders, also closely monitor and ensure adherence to all other stipulations to this effect.
